## Note:

1. The above total average inpatient spending per bed-day is determined based on the Company's bills for services provided to patients, without taking into account differences with medical insurance settlements and the Company's income deduction for some medical expenses that may not be received.

The above operating data and indicators are based on the Company's records and have not been audited or reviewed by the Company's auditors. The operating data may be different from those disclosed in periodical reports. The operating data disclosed in periodical reports shall prevail if there is any discrepancy. Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
